## All about Neila:

Family and school are important to Neila. She lives with her parents, younger sister, plus animals (cat and dog). She loves animals, therefore enjoys horseback riding also. In school she is an honor roll student. Sports are a passion of hers and help her disconnect from the world. She loves ice skating, gymnastics, and dance. She takes vocal lessons once a week and enjoys singing. Her favorite type of music is pop. Cooking healthy recipes is one of her hobbies, as well as watching TV series or reading a good book. On program she hopes to perfect her English, see the world from a new perspective, and grow as a young person. Welcome Neila to your heart and home this August!
