## All about Lucia:

Lucia is a musician at heart. She plays many musical instruments, but her favorite is the electric guitar. She takes part in a band that plays mainly 80's music. Over the years she has participated in sports, such as paddle ball and roller skating, even competing in skating competitions. Though growing up in the city, she enjoys getting out in nature and the mountains. On weekends, she will go cycling with her father or camping as a family. As a family they enjoy antique cars, so they attend car club meetings. She has wanted to visit the U.S. since a young age and looks forward to the opportunity. Is your family willing to open your heart and home to Lucia and help her explore our American customs and traditions?
