## All about Francesca:

Francesca has a heart of a volunteer. She helps with a youth association doing maintenance or gardening to raise money to send to missions in South America. Francesca enjoys being around children. She even worked at a summer camp as an entertainer. She also teaches English to children in kindergarten once per week. She is a fan of rock music such as Queen or Abba. She loves the cinema and pizza. Every Saturday her family goes to grandma's house to all have lunch together. She is an animal lover and has a dog, cat, rabbit, and fish. She enjoys riding horses, but had the opportunity to ride camels last summer in Egypt. She studies human sciences at school like psychology and sociology. Her hope is to become a teacher some day. Francesca is sure she can adapt on program. Share your heart and home with Francesca and apply to host today!
