## All about Julia:

**Julia has always been a cheerful and extroverted person. She went on an exchange to France for 4 months and did very well. She is quite studious and attends an English academy as an extracurricular activity. As a family, she travels with her mother and brother. Last year they went to Malaysia and Cambodia. She participates in an athletics club and enjoys skiing in the winter. The Christmas holiday is very important to her as she loves the meals and time together with her family. Welcome Julia to your heart and home this August!**
