All about Suphaphit:

Suphaphit is cheerful, friendly, and helpful. She does consider herself a bit shy at first but very adaptable and can be quite talkative and easygoing.

She loves to play ROV and Roblox games and is good at badminton, but also likes volleyball, swimming, and cycling. She hopes to visit museums, go skating, or try cheer leading while on program.

Suphaphit loves to cook and often helps cook rice and other traditional dishes with her mom. She does love to eat, try new foods, and can't wait to share her culture.
